## **BOARD MEETINGS: first Thursday every month**

Oceanids Pavilion, International Center

Coffee and refreshments: 9:15 am, meeting starts at 9:45 am

**PRESIDENT'S MESSAGE**

Greetings to all Oceanids - and your friends who might like to join.

This year has started well, with good participation in the Chancellors 5K run which helps provide students with financial aid.

The next event was the Fall Luncheon, delicious and well-attended. Put it on your list for next year. We met some new members, and involved members both new and old in new activities.

If you missed the luncheon, put the Holiday Party, December 3 on your calendar; there's an announcement about it in this newsletter. It's always a lot of fun, a great chance to meet new people, and we will have a listing of the interest groups there, along with contact numbers. This is another opportunity to bring friends who might like to join us.

Even before the Holiday Party, there will be a most interesting talk by a faculty member highly knowledgeable about modern China. That will be at Sounding Board at the Faculty Club December 1; the talk will begin after/during lunch at about noon.

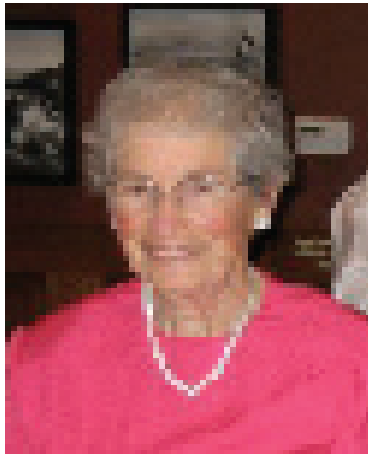

Finally, look in this issue for an announcement about this year's e-Bay fund raiser. Last year was a financial success, but a lot of work for a few people. Now that we have our feet wet, we can be more efficient this year. Please participate!

We will be highlighting various if the interest groups with articles in future newsletters. Be watching for them.

Keep participating, and keep learning and enjoying. It is through all of us that we can support so many student-oriented benefits throughout the year.

Happy Holidays!

Ruth

**VOLUNTEERS NEEDED FOR OUR NEXT E-BAY FUNDRAISER. WE NEED PHOTOGRAPHERS, COMPUTER AND/OR E-BAY SAVVY FOLKS, MAILERS AND OTHERS TO EVALUATE AND DESCRIBE THE DONATED ITEMS.**

**PLEASE CALL JAN OUREN AT 858-273 1681 IF YOU WOULD LIKE TO HELP. WE WILL FIND A PLACE FOR YOU.**

**NEW WEBSITE ADDRESS**

**<http://ccom.ucsd.edu/~oceanids/>**

You will also find the new website in your 2011 directory. Please bookmark the new website and be sure to check it frequently this year for our interesting Oceanids activities.

Oceanids (with Freddy) at the Chancellor's Run

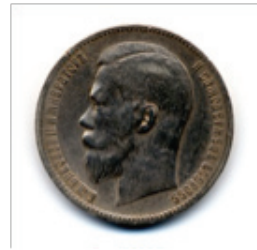

**Oceanids has an e-mail mailing list!**

The purpose of the listserv or email distribution list is to allow our President, Board members, Interest Group chairs or anyone else with an important announcement to contact our membership.

**Also, the Oceanids news will be sent electronically as a PDF-file which you can read online or print out.**

If you have questions, have an announcement for Oceanids, or are a new subscriber, please email the listserv administrator, Judy Vacquier, at [jvacq@sbcglobal.net](mailto:jvacq@sbcglobal.net)

Also, anyone who would like to make corrections to the directory and/or to our database (from which we obtain the addresses for 'Oceanids news' mailings,) please e-mail Judy.

Members, please help support Oceanids' 2012 eBay  
Fundraiser! Bring one or more items to donate on  
**Saturday, January 14, 2012, 10 am to 1 pm**  
to our Pavilion at the UCSD International Center.

**Free coffee and doughnuts!**

**Free campus parking!**

Please bring items likely to sell on eBay (jewelry, ceramics,  
artwork, artifacts, etc.) with a value of \$20-30+ and shippable.

We'll photograph, measure and weigh your donation and help you  
write a description about it.

Then, you'll keep your donation until it sells on eBay.

Your donations will fund Oceanids' programs, student awards and  
activities such as the Chancellor's Run, the Ph.D. Conference and  
the student-run Health Clinic. All net proceeds go to Oceanids  
Foundation and you'll receive an IRS donation receipt for the  
amount of the sale.

Any questions? Please call Jan Ouren, Oceanids Treasurer,  
858 273 1681.

## IN MEMORIAM

**Patricia Melanie Austin** passed away peacefully at home on October 19. Pat was president of Oceanids in 1973-74 and was active, with her husband Ros, in the Wine-Tasting Group for many years. She also was a very good bridge player and part of the Day Bridge interest group in years past. She came to San Diego in the very early 50s when her husband took a job with the Visibility Laboratory at the Scripps Institution of Oceanography.

Many Oceanids will remember **Rose Bailly** who died on November 10. She had come with her husband Norman to La Jolla in 1968 where he served as professor of radiology and chief of the Division of Radiological Physics and Engineering in the new medical school of UCSD. Rose joined Oceanids and was president of the organization in 1974-75. For several years she was very much involved with consumer advocacy and worked with channel 39 in San Diego. We remember her tales about it, but more important-ly to many, she was a wonderful, very capable bridgeplayer and very active in our bridge interest groups.

### What's behind a Word? by Odette Filloux

Over the last few months I have had unfortunately many occasions to visit the office of numerous doctors where during the long hours I spent in their waiting rooms I also had ample time to stare at what was displayed on their walls and ponder over it.

One particular announcement I found exhibited wherever I went and that I had never seen before attracted my attention. It was titled: Notice to consumers, and went on to specify that medical doctors were licensed and regulated by the medical board of California; a phone number and an email address were also provided.

But I was not interested in the details, while what immediately struck and surprised me was the fact that we were, I along with all those trapped in their chairs around me, being hailed as “consumers”.

As time would go by, I had all the necessary leisure to argue in my mind over and over again that by my definition consumers must necessarily consume as well as shoppers shop, dancers dance and dreamers dream, and I would keep wondering what it was that I was consuming as I was waiting here at the mercy of the doctor's schedule.

And I would go on to think that what I was really doing at that moment was above all waiting, waiting and hoping to be called soon and that it did require from me, as from others, a lot of “patience”. I would then recall how “patience” did come from the Latin word “patientia” whose first meaning had been “the action of suffering, enduring, or bearing some sort of hardship”, and I would reflect that if we were not necessarily suffering at the moment we were all at least enduring the wait and patiently expecting to be called in, looked at, listened to, examined, then hopefully diagnosed and offered various remedies for a possible cure. And so I would conclude that if we definitely were not “consumers” we were indeed in more ways than one eminently “patient” or “Patients”. I had no doubt then that the announcement that irritated me should have read more appropriately: Notice to Patients and not Notice to Consumers.

For all along I had not been shopping for a tangible good that I would pay for and leave with. The physician who would see me would not provide me with a “thing” that I would bargain for and simply pay with a price we had debated. There was more to that visit than that. What would hopefully be provided for me here were for the most part, intangible things, like knowledge, attention, compassion, and care and if all this had a price, the price was not or at least should not be either the objective or the main concern.

In the end, I would conclude that what had really annoyed and angered me was the fact that through this word I had been forced here and now to think of myself as involved in some sort of business exchange in which I had choices and where I had come to buy, as at the corner store, the care of my doctor.

It colored my visit in a falsified light, totally altered both my position and that of the physician I was expecting to consult by reducing our relationship to a mere business transaction.

Just before the nurse would call me in I would repeat to myself that after my visit with my doctor it would not come to my mind to say that I had consumed “medicine”, even if in a way prior to my visit and even now, as a patient, I had been and still was “consumed” by my illness.

# OCEANIDS' INTEREST GROUPS

Interest Groups are the backbone of our Oceanids organization. They are here to meet the many varied needs of UCSD families, especially those new to the UCSD campus and the community. If you don't find an activity you would like to participate in, please contact Mary Hanson (858 456-1304), Interest Group Coordinator. If five or more Oceanids wish to start a new group, please let her know so we can inform other members. All we ask is that your members be Oceanids. If you are not yet a member of Oceanids, please consider joining us by contacting Mary Cutchin, 858-459-8074, marycutchin@yahoo.com or by submitting the application form in this issue.

**Since the newsletter is posted on the Oceanids website we will, for security reasons, not publish addresses. Please call the contact for the necessary information.**

## A Big Thank You to Our Generous Members

We would like to extend a big thank you to the many members who have donated to our funds. Student financial support is more important than ever and the UC San Diego students who receive Oceanids Fellowships and Awards tell us what a difference this money makes to them. The **Memorial Fellowship Fund** supports graduate studies and is given to a student who has a history of service to the campus; the two **Frieda Daum Urey Fellowships** go to graduate students who have had a significant break from academia and are returning to continue their studies; the **Bertha Lebus Fellowship Fund** is also for students who have had at least one year away from college after receiving their undergraduate degree, and who plan on becoming a teacher; the **Undergraduate Service Awards** are awarded, one to each college on campus, for a graduating senior who has given service to the campus. Finally we really appreciate gifts to our **General Projects Fund** which fund our support of the Student Run Free Clinic, the Annual UCSD Ph.D. Career Conference, the Chancellor's Fun Run and other campus events.
