NEW WEBSITE ADDRESS

<http://ccom.ucsd.edu/~oceanids/>

You will also find the new website in your 2011 directory. Please bookmark the new website and be sure to check it frequently this year for our interesting Oceanids activities.

Please save the date for the
Oceanids Annual Meeting and
Spring Luncheon on Thursday,
May 24, 2012 at the Bali Hai.

Oceanids has an e-mail mailing list!

The purpose of the listserv or email distribution list is to allow our President, Board members, Interest Group chairs or anyone else with an important announcement to contact our membership.

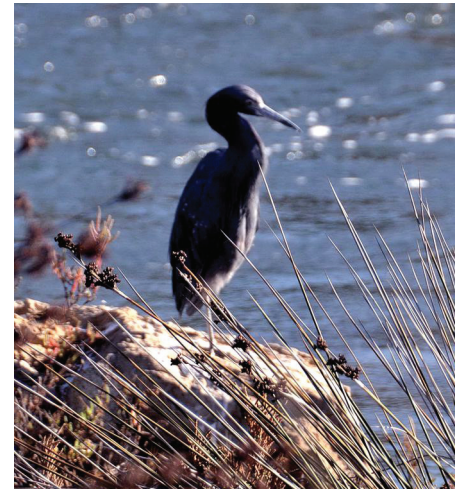

You will get an e-mail when the Oceanids News is available on our website.

If you have questions, have an announcement for Oceanids, or are a new subscriber, please email the listserv administrator, Judy Vacquier, at jvacq@sbcglobal.net

Also, anyone who would like to make corrections to the directory and/or to our database (from which we obtain the addresses for 'Oceanids news' mailings,) please e-mail Mary Cutchin marycutchin@yahoo.com.

We are the **Avi Set**, and since avis is the latin

word for bird, not surprisingly we watch, observe, and look at birds. The great thing is that all you need is a pair of binoculars, and a willingness to get up a little early to see the

beautiful birds that we share our planet with, going about their lives. We have an extraordinary diversity of birds in San Diego County, with the added excitement of the Spring & Fall migratory species. You do not have to know a Song Sparrow from a Savanna Sparrow; we all help each other when it comes to identifying birds. An unexpected bonus is that we visit sites all over San Diego County, and you will probably go to places you have never been before. We meet on the second Monday of the month and either car pool from La Jolla, or meet at the location.

If you are interested in joining us please contact Liz Winant at lwinant@ucsd.edu or call 858 481 7447

Among the Oceanids Interest Groups are three that feature conversing in a foreign language -- Café Espanol, German Kaffee-klatsch and

Café Français.

This month we're focusing on the French conversation group, which has been going strong for a number of years. Our members include native speakers, French teachers, devoted francophiles and relative beginners. Interestingly, for several in the group French is a third or fourth language! New members

are welcome! We meet in each other's homes the second Wednesday of the month at 1:00. All that's on the agenda is munching on sweet and savory snacks and speaking French, usually in small groups. The atmosphere is informal and friendly. **Please contact Mary Hanson** at 858-456-1304 or mhanson@san.rr.com if you're interested.

Si on aime parler français; on doit venir à notre prochaine réunion.

IN MEMORIAM

Long-time Oceanid **Emily Stowell** passed away Friday, November 25th.

Emily was recognized for her outstanding volunteer activities with Oceanids and with the Friends of the International Center. In 2000, she was Oceanid of the Year, and also received a national award, the Millennium International Volunteer Award for outstanding achievements in international volunteerism from the U.S. Department of State Bureau of Educational and Cultural Affairs, along with Alma Coles and 28 other volunteers from around the country.

Emily was in charge of the Wednesday Morning Coffees for many years, and organized many other activities and field trips at the International Center. She loved being a member of Oceanids and the Friends. A service was held on Friday, December 30 at 3:00 PM at the United Church of Christ in La Mesa.

We are sorry to report the death of Professor **James Arnold**. He was one of the first members of the UCSD faculty and the founding chair of the Chemistry department. His wife, Louise, is a long-time member of Oceanids and was President in 1966-1967. Jim died Jan 6, 2012 of complications from Alzheimer's. He was 88 years old. Memorial donations may be made to the Jim Arnold Lectureship Fund through the UCSD Foundation, fund number 3062. No services are planned at this time. A notice will be sent if there is news of a service.

On Thursday, March 29 **All Aboard** will travel to the Gamble House in Pasadena. It is an outstanding example of American Arts-and-Crafts-style architecture. The house and furnishings were designed by Charles and Henry Greene in 1908 for David and Mary Gamble of the Procter & Gamble Company. The house, a National Historic Landmark, is owned by the City of Pasadena and operated by the University of Southern California. More information is available at GambleHouse.org.

We will catch the 8:44 am train from Solana Beach Station. Call or e-mail me if you want to join us.

Barbara Bank

All Oceanids are welcome on this trip. If there is enough interest a second trip may be planned.

Interested in Chairing an Interest Group?

The Gardening Group is looking for a new chair. If you are interested, please contact Mary Hanson, 858-456-1304, mhanson@san.rr.com.

We read it in the La Jolla Light

(November 23, 2011)!!!

Ever wonder how much a UCSD education costs these days?

California residents pay about \$30,000 a year in fees, books and room and board.

International students pay an ADDITIONAL \$22,878.

UCSD has 2000 students and 2,220 scholars all from 90 foreign countries.

Brought to out attention by Liz Wills

Hiking adventures

Have you ever woken up on a Saturday morning, thinking that you should really do more in the way of physical exercise? And then wondered what to do about it? Walking the same streets every morning can be so boring, but where to go? And then you turned around and went back to sleep?

I have a suggestion:

How about joining our interest group “Hiking in and around San Diego County”?

Sure, we only meet once a month, but you would be surprised how much fun a hike in the beautiful back country can be. You might even decide to make a hike like that a weekly occurrence with friends or family.

I recommend Jerry Schad’s Hiking Guide which will give you many extras such as best time of year for certain hikes, degree of strenuousness, length of hike and much more.

Recently we have had an influx of many foreign students and scholars and it is very interesting to chat with them as we hike. But we keep to our standard 5-7 miles. even if they could go further.

Check the interest group calendar and call me if you have questions.

Rosie/Roswitha Enright, chair of hiking

E-Bay Fundraiser, Up and Running

The first phase of our eBay fundraiser on January 14 was a success! Members of Oceanids donated 82 items, most downright fabulous and/or exotic. These items are 100% donations to our UCSD Oceanids Foundation. Among them were silver jewelry from Germany, a fertility carving from Papua New Guinea, a Japanese bowl, Burmese longyi, an original oil painting, many porcelain items, Waterford crystal, a Kosta crystal T. Rex, a reindeer hide from Norway and more!

Check out our eBay items at http://www.ebay.com/sch/oceanids1/m.html?_dmd=1&_ipg=50&_sop=12&_rdc=1 after Feb.1.

Alternately, go to www.ebay.com, check the advanced search box, click on search By Seller, and type "oceanids1" in the box, hit enter.

Most items will be available on eBay from February on. You can bid on any of these items and help support your own organization, Oceanids, and our UCSD student support activities. Keep checking out eBay from February on as we'll be putting up new items. And if you have an item to donate, please give me a call (@ 858 273 1681).

Many, many thanks to our members who donated generously and to the eBay team for their work. Special thanks to Juergen Menzel, our photographer (and Beate Menzel's husband).
