Oceanids Pavilion, International Center

Meeting: 10:00am (You are welcome to attend!)

## PRESIDENT'S MESSAGE

As usual, the summer has quickly drawn to a close, and the school year has begun. Like the conscientious students we probably all were, it's time to get serious about the tasks at hand, but also a good time to renew friendships. Being active in Oceanids facilitates making new friends and keeping in touch with old ones. One excellent way to do this is to attend the Fall Brunch on Saturday, November 2. The invitation is on the cover of this newsletter. As a courtesy to our hard-working event co-chairs, Barbara Bank and Diana Vines, please don't forget to RSVP in advance of the deadline!

bring your cash or checkbook so that you go home with at least as many items as you brought. Looking forward to seeing you there.

Mary Hanson, President

At the brunch we will be reminded of the work we do in the UCSD community and the opportunities we have to participate in a variety of Interest Groups. Elsewhere in this newsletter is a list of those groups. A few are "full" but most are not. Even if you're already an active Oceanids member it might be time to try something new.

As your new President I have frequent opportunities to learn more about UCSD. For example, there was a lovely reception in August for the Urey family; you'll find an article about it elsewhere in this newsletter.

Finally, as I'll probably discuss in every one of these "messages," let's not forget to think about Oceanids more broadly. We should all be focusing on friends and acquaintances who might like to join us. Inviting them to an Interest Group is always a good way to start. And, of course, we should all be setting aside treasures to donate to our fourth online e-bay auction this spring.

To help get us going, there will be a \$5 table at the Fall Brunch. You can bring fun items that aren't valuable enough for the main auction, and of course

*Oceanids has an e-mail mailing list! The purpose of the listserv or e-mail distribution list is to allow our President, Board members, Interest Group chairs or anyone else with an important announcement to contact our membership. You will get an e-mail when the Oceanids News is available on our website. If you have questions, have an announcement for Oceanids, or are a new subscriber, please e-mail the listserv administrator, Judy Vacquier, at [jvacq@sbcglobal.net](mailto:jvacq@sbcglobal.net). Also, anyone who would like to make corrections to the directory and/or to our database (from which we obtain the addresses for 'Oceanids news' mailings,) please e-mail Mary Cutchin at [marycutchin@yahoo.com](mailto:marycutchin@yahoo.com).*

## Reception for the Frieda and Harold Urey Family

On August 11 Liz Winant, Liz Fong Wills, Eleanor tum Suden, Carl and Mary McIlwain and I enjoyed a reception for several generations of the Urey family sponsored by the UCSD Division of Physical Sciences.

As many of you know, Frieda Daum Urey is considered the “founding mother” of Oceanids. She and her husband, Nobel Laureate Harold Urey, were among the most influential people in the early days of UCSD. When Ruth Stern passed the gavel to me in May it was actually a beautiful silver pitcher engraved with the words:

“From Oceanids to Our Beloved Friend Frieda Urey,  
February 24, 1968.”

The Frieda Urey pitcher has been passed to successive presidents ever since.

The family was given tours of the labs where Harold Urey worked, followed by refreshments and conversation in the recently renovated Urey Room, located in the oldest building on campus, the Urey Building. Two of our fellowships, the Frieda Daum Urey Academic Fellowship and the Frieda Daum Urey Endowed Fellowship, recognize her contributions to the university. Some members of her family were not aware of these awards, and were very gratified to know about them.

Frieda was an exceptional hostess and made a point of making newcomers to the campus feel welcome, which is still an important component of Oceanids’

activities. We all enjoyed learning more about about her and her family at this lovely event.

Mary Hanson

### First Latina Provost at UCSD: Faustina Solis (1923 - 2013)

Ms. Solis was always known for her efforts in improving the lives of migrant workers. In her opinion, education was the key to eradicate social injustice.

She was born the eighth of 12 children in Compton. Ms. Solis received a bachelor’s degree in sociology from UCLA and a master’s degree in social work from USC in 1954. In 1971 she joined the Dept. of Community and Family Medicine at the UC San Diego School of Medicine. After a leave of absence in 1976, to serve as deputy director for the California Department of Health Services, she returned to UCSD in 1978 as full professor and was appointed provost of UCSD’s Thurgood Marshall College in 1982. “Her life, interests, and career were the embodiment of the academic and social missions of this college”, said Cecil Lytle, provost emeritus of Thurgood Marshall College.
