PRESIDENT'S MESSAGE

Dear Oceanids,
for personal reasons our president could not write the summer message this year. But she wishes all of you a wonderful, exciting, comfortable, sunny but most of all relaxing summer. You will see her president's message again in the October/November issue of our Oceanids News.

If you were not able to attend our Spring Luncheon on Thursday, May 24 here are some pictures:

A really beautiful place with great facilities, kitchen, stage, and patio

Plentiful food was grilled and served by the men from "The Taco Truck".

And a most interesting talk about philanthropist Ellen Browning Scripps, the founder of many worthwhile institutions, was given by Molly McClain, Professor of History at the University of San Diego.

WALKING AND HIKING IN SAN DIEGO COUNTY

If you ever felt like seeing a bit more of the county other than the cities, if you enjoy walking and hiking in the company of others, if you like meeting old friends and international youngsters, this is the interest group for you.

We are meeting on the second Saturday from October to May and car pool to the start of the trail. The length of the hike is between 5 and 7 miles and we are usually back by 3pm.

The Oceanids presence at these hikes has dwindled down and we need cars to transport the young people to show them the beauty of our county.

Please email me for more information (renright@ucsd.edu). Thanks, Roswitha/Rosie

CINEMA SOIRÉE

Do you enjoy movies and do you like talking about them? Come and join our Cinema Soirée evening. We meet once a month, always on the second Sunday of each month all year long and discuss a chosen movie. Every group member sees the movie at his/her own time. We meet at a member's home and listen to an introduction by the person who has chosen the movie to be discussed. You will receive an email in plenty of time which tells you which movie to see and where the meeting is going to be held. Another member has provided snacks and drinks (wine, beer, water) and we generally have a good time. The meeting starts at 7 pm and the discussion at 7:30. We are usually done by 9 pm. Come join us, it is very enjoyable. For more information email renright@ucsd.edu.

GERMAN KAFFEEKLATSCH

This is for Oceanids and their spouses who want to refresh their German language skills. Our members have usually spent some time in Germany, as students or professionals and like to practice a bit. Our group is small and everyone is encouraged to speak but just listening is also allowed! We meet once a month on the third Tuesday at 3pm, have some coffee or water or juice and some cookies and tell each other

whatever comes to mind until about 4:30. We usually meet at my house in La Jolla. If you are interested please email me at renright@ucsd.edu. Roswitha/Rosie

AVISET BIRDING GROUP

meets on the second Monday of the month, every month except for the hot months of June to August. I would like to stress that you don't have to have any prior experience with birds or bird watching. We love having people who are interested in seeing our local birds, and we will be happy to help them learn about the birds we see on walks & in our gardens. We arrange for a car pool close to the campus, or you can drive independently. It is a great way to visit out of the way places in our county; we go to Famosa Slough, Robb Field, San Diego Flood Control Channel, Old Mission Dam, San Elijo Lagoon, and many other locations.

CAFÉ FRANCAIS

We are more than twenty in the group. We are all Americans but have different backgrounds and come originally from different countries. We have members from France, Germany, Switzerland, Iran, Italy, Mexico, Greece and Turkey. What we all have in common is: we love speaking French.

We gather once a month, on the second Wednesdays at 12:00 pm to 2:00 pm from October to May. The hostess offers some food and refreshments; sometimes we have co-hostesses.

We talk about everything other than politics. Everybody has a chance to say something for a couple of minutes. Then we eat and gossip (not really) and enjoy being together.

If you want to be one of us, please come and join these active international ladies. The photo was taken at the last meeting of the season in May at Klelia Mouzaki's home. Fiona Levin was the co-host; both joined us this year. We were fourteen at this meeting and you can see our longest-time member Lucie Walther and the last but not least member Paulette Bohrer together.

We are open for new members, and are waiting for you, your friends or family members to join us. I wish you all a very good summer.

Jusque Octobre.

Oceanids' volunteers at the appreciation Luncheon

The Emergency Fund

Several years ago we were given a very generous grant by one of our members. The Board decided to use it to establish an emergency fund – something we had thought would be useful but had never quite had the funding to realize.

The Emergency Fund is administered through the International Students and Program Office (ISPO). It is meant to assist foreign students when they are hit with an unexpected emergency. Most foreign students are far from home and on a very tight budget. They have difficulty coping when unexpected expenses or crises arise.

ISPO works with them to find sources of help and restructure their lives. ISPO has been very careful with the emergency fund but on occasion other options were exhausted and the students have been desperate. The fund has been used three times thus far. For obvious reasons, the details are not shared with us but the most recent case is very sad and we are truly grateful that the fund could assist.

A young woman came here as a student with her husband last year. She became a victim of domestic violence so severe that police were called and she had to be hospitalized. Facing a court case, her husband claimed they had not really been married in their home country. All her efforts seemed to be coming to naught – she lost her part-time jobs and feared she would have to abandon her studies. Her department, to its credit, stepped in and did everything it could to help her out and structure a program so she could finish her degree. ISPO did what it could. Still, she was destitute and as a last resort, ISPO appealed to us. We agreed to ISPO's plan to use the fund to help cover basic living expenses while she

finished up her degree. ISPO wrote us, writing that they are “extremely grateful” for the generosity of the Oceanids and enclosing a letter from the student herself:

*Dear Sir/Ma'am at Oceanids,
I would like to thank you for the huge help that I have received from you! This past month has been the most stressful month for me as I was dealing with a lot of issues in my own life along with the extreme financial crisis. I sincerely appreciate the generosity and diligence of your organization and it is because of that that I will be able to continue my studies... in spite of all the hardships in my life. I seriously have no words to express my gratitude and thanks to the Oceanids Members for giving me the opportunity to make a life for myself and stand back on my feet. Please keep the good work up!*

...and there was a big thank-you from the director and several associates of the UC San Diego Student-Run Free Clinic Project:

*Dear Oceanids,
Thank you so much for your support over these **many years**. Words can not express our gratitude. Thank you for your support in these challenging times. We are grateful.*

Ellen Beck

*Dear Oceanids,
Thank you for your support. As a volunteer, I was able to learn more about the San Diegan population. I was able to see a unique perspective that incorporates a multi-faceted approach toward healing patients. This would not have been possible without you.*

Sincerely, (signature)

Oceanid Ruth Stern lost her husband Mort Levy on May 7. Mort and Ruth had been members of our couples' Bridge Group and we will miss him. Ruth served as Oceanids President from 2011 to 2013 and helps currently on the Oceanids Board as Corresponding Secretary

Oceanids Sustaining Member Zella Brown was given an award as the longest serving volunteer for the English-in-Action (EIA) Conversation Program. 40 years?

FOND FAREWELLS

We at the Oceanids’ Kitchen Exchange are a virtual welcoming committee for grad-students, post-docs, or visiting faculty who stay at UCSD for a short time. They come to us after first arriving, to take advantage of our store-room of kitchen utensils, vacuum cleaners, microwaves, and baby equipment like bassinets and high-chairs. After Liz Wills gives them a spirited welcome chat that explains all the activities they can partake in (they love her description of the Wine-Tasting group) we hand them a couple of big boxes and they happily fill them with what they need for a temporary stay. It’s a time to get acquainted with some very interesting and lovable people.

Later, alas, when their stay is over, they return our loaned-out items and it is time to say good-bye. Maryruth Cox asks them to write a bit in her guest book about their stay in the US. Here are a few of their comments:

“Terrific and impressive idea. Thanks for the warm welcome.” Astrid from Belgium

“Thank you so much for offering this service. I’ve enjoyed my electric cooker and my tea every day.” Niehe from the Netherlands

“This is something we (in France) should do to save our money AND to save the environment and the earth. Besides, the ladies (and gentleman)* are really nice and kind.” Marianne

“Thank you so much! This exchange store really helped us with the new start. It’s always nice to be welcomed by kind people.” Roy and Ayala from Israel.

“Thank you so much for making our move in and out very smooth. We will spread the “voice” about you.” Guido, Fiona, Livia, and Daniel from Italy.

“I feel admiration for the job you do. It is in the best American tradition of volunteering”....Joaquin Arango from Spain”

Oceanids are proud to offer this practical and appreciated service.

My super power is holding onto junk for years and throwing it away a week before I need it.

*Enjoy your
summer holidays!*
