Free Bus Zone
Transportation & Parking Services subsidizes free, unlimited rides on campus shuttles and vanpools for all eligible employees. Free service is available to employees, students (active and retired), and their dependents. Parking is also available to employees, students, and their dependents for a discounted rate.

Shuttle Service
Transportation & Parking Services operates an extensive network of free shuttles and vanpool services to UC San Diego and the surrounding communities. The shuttle service is available to employees, students, and their dependents. In addition, the shuttle service is available to employees, students, and their dependents for a discounted rate.

Transportation for People with Disabilities
UC San Diego faculty, staff, and students with disabilities can arrange for convenient campus transportation. This year, the free campus shuttle service offers 7-10 a.m. to 10 p.m. service on the La Jolla campus, with limited service during academic breaks. Wheelchair-accessible vans and electric carts are available for free campus transportation. In addition, the shuttle service is available to employees, students, and their dependents for a discounted rate.

Motorist Assistance Program
The Motorist Assistance Program (MAP) is a free service that assists stranded drivers who require any of the following minor vehicle problems:
- Flat tire
- Lockout assistance (standard locks only)
- Low tire inflation
- Towing
- Gasoline
